

**HNHS Nautical Charts &  
Publications Content**

**Usage License**

**APPLICATION  
FORM**

(for the purpose of creating derived products)

### *General Notice*

This document is an Application Form for submission to the Hellenic Navy Hydrographic Service (HNHS) for permission to reproduce information contained within HNHS Nautical Charts and Publications or for permission to reproduce data from any other product that is based upon information extracted from our products and for which HNHS holds the copyright.

### *Progress of Your Application*

Once your application is completed and submitted to HNHS, the department responsible will inform you on the progress of your request and the further implementation steps required.

### *Privacy Statement / Information*

Any information pertaining in this Application that concerns personal data will be used only for the purpose for which it was given and in accordance with the applicable legal framework.

HNHS will not use personal data for any other purpose except for advertising/ informing and research, concerning its main work item and products. Also, they will not be made available to third parties, which are not related to HNHS, without the prior notice and acceptance from the applicant, with the only exception the implementation of the relevant legal dictations by the competent authorities.

HNHS reserves the right to pass this application and any information pertaining to it to other members of the International Hydrographic Organisation (IHO). HNHS will ensure that any information passed to a member of the IHO will be given under the same conditions as this paragraph.
